

l) Go to the web site: <http://public.web.cern.ch/public/en/Science/Science-en.html>

You will have to study **one** of the four following articles, by groups of 2 or 3:

- **Recipe for a Universe**
 - **The standard package**
 - **Antimatter detective**
 - **Dark secret of the Universe**
- Circle your topic and name the members of your group : _____

1. Read the article.
2. Write the words, you do not understand. Look for the meaning using a web dictionary:
http://www.grand-dictionnaire.com/btml/fr/r_motclef/index800_1.asp

3. Present the article in a few sentences.

4. Suggest 5 questions about the article.

5. Write the answers, you are expecting.

6. Give your worksheet back to the teacher for evaluation.
